

Psalm 136:4-9 (The Message)

Thank the miracle-working God,
His love never quits.
The God whose skill formed the cosmos,
His love never quits.
The God who laid out earth on ocean
foundations,
His love never quits.
The God who filled the skies with light,
His love never quits.
The sun to watch over the day,
His love never quits.
Moon and stars as guardians of the night,
His love never quits.

Matariki

Rise of the Pleiades star cluster

Sighting of the new moon

Celebrating where we live

Respecting creation

Remember what has happened

Thankful for what is happening now

Look forward to what is ahead

Reflections

In the last year...

What have you received?

For now...

What are you thankful for?

For the next year...

What would you like to do?

How about sharing your thoughts, hopes
and dreams with your family and friends
