

# Pentecost - Family Faith Moment 1

**READ God's Word together:** Acts 1:1-5

Watch the video of Acts from the [Jesus Storybook Bible](#)

**EXPLORE together with Reflective Questions:**

Jesus's friends waited in Jerusalem, just as Jesus had told them. Many people were gathered in this city to celebrate a feast called Pentecost. They brought gifts as offerings to God. Jesus's friends were about to be surprised!

This was no ordinary day. After listening to, or reading the story, search for all the surprises, like a treasure hunt... What surprises in the story have you found? Describe what the friends thought they heard. What did they see on each other? Who filled the friends? God kept a promise to send a very important gift! What were the friends helped to do? What did Peter do next? How did the people in the crowd respond?

Did you know that a long time before this story happened, God had promised to send this gift? The important gift from God that we call the Holy Spirit, helps by giving us comfort, guides us and gives us joy!
