

Blessing for Mothers

A Family Faith Moment

Reflect on what your mum means to you- write down words or draw a picture.

Think about questions like "What do I like best about my mum? What makes my mum special? What am I most thankful for?"

On a colourful piece of paper, draw a flower.

On each petal, write (or draw!) a prayer, blessing or message for your mum.

Cut out the flower, and attach to a pipecleaner using a piece of tape.

Present to your mum! You could even make a bouquet by combining together multiple paper flowers.

MATERIALS:

- Coloured Paper
- Colouring pens, pencils
- Pipecleaners (or skewers)
- Tape

Prayer:

God, thank you for mums!
May they always know
your peace, love and care.
And may we, your children,
know the same.
