EXPLORE together with Reflective Questions:

Does God always listen when we pray? Yes! What do we do when we pray? We are talking with God. Who can pray? Everyone can pray everywhere. Sometimes, we can pray quietly, especially when we are by ourselves. Sometimes, we can pray with others so that they can hear us. Who helps us to pray? The Holy Spirit helps us. What can we pray about? We can tell God how awesome He is and we can even ask God for good things. What else can we tell God? We can tell God how we are feeling. God understands when we feel happy and when we feel sad. Why did the people in the early church pray together? They were thanking God and asking for help in sharing about Jesus, God and the Holy Spirit. We can ask God for that too!
