

# CORONATION DAY

## A Family Faith Moment

On May 6th, we celebrate the coronation of King Charles III. This is a special day, where King Charles will make a promise to serve God, and the people of the Commonwealth. In the Bible, Kings were anointed to lead and guide God's people, so that they would love and serve God, and follow God's laws.

### Reflection Questions:

I wonder, can you name any kings from the bible? I wonder why we call Jesus the King of Kings? In what ways can we love and serve God?

### ACTIVITY

Make bunting to decorate your home! Cut a number of triangle-shaped flags from some paper. On each flag, draw or write one way that you can serve or love God. Attach to a length of string, and hang it up somewhere in your home where everyone can see it.

### PRAYER:

God, help us to keep you in our minds (touch forehead), so that we can love each other (touch heart), and serve you in all we do (touch palms). AMEN!
