

# ADVENT-JOY

## A Family Faith Moment

## HAVE A CELEBRATION!

Express joy together by having a fun celebration. It might be as simple as putting on some music and having a dance party in your living room, or as elaborate as baking a cake or having a special meal together. As you celebrate, praise God for where you see His joy in your lives!

**SOME MORE IDEAS:**  
Make bubbles!  
Play musical chairs  
Have a waterfight  
Backyard Bonfire

## REFLECTION

Joy looks different for everyone. For some, they see joy in nature. Others discover joy in a book, or while doing something they love.

But joy is so much more than that! And the joy that God gives us is very special. It gives us strength, and reminds us that God is greater than anything we might face.

Who might have felt joy on the first Christmas?  
What does joy feel like?  
What brings you joy?

## PRAYER:

We praise and give thanks with joy!!  
Help us to know your joy, and to know how special we are to you.  
**AMEN!!**
