

ADVENT-LOVE

A Family Faith Moment

REFLECTION

Love is one of the most important things we can experience. Love helps us to know that we are special, and that we are cared for.

The greatest commandments that God gave us were to love. So its no surprise that it's one of the themes of Advent.

I wonder, what makes you special?

What do you love about each other?

How do you show someone that you love them?

How can you show God's love to others?

HEART WREATH CRAFT

Create a heart wreath together!

Cut out hearts from various bits of coloured or patterned paper. On each heart, write the things that you love -it could be things about each other, about God, or about the world around you. Cut the centre from a paper plate to create your wreath shape, and glue each heart on to it and hang it in your home.

PRAYER:

God, thank you that you have shown us what it means to be loved. Help us to love others the way you want us to.
AMEN!!
