

Palm Sunday

A Family Faith Moment

REFLECTION

As Jesus entered Jerusalem, the crowds welcomed him like a King! They shouted HOSANNA, which means 'please save us'. The crowd was excited because they knew Jesus was the son of God. Have you ever seen or met someone famous? How did you feel? How do you think the people in the crowd felt seeing Jesus? How do you think Jesus felt? Talk together about what excites you most about Jesus.

MATERIALS:
-White paper
-Green paint
(multiple shades if you have it!)

ACTIVITY

Create a palm leaf wall art together! Cut out a palm leaf on a large piece of paper. Colour the inside using your handprints in various shades of green. Display on a wall or in the window of your home as a talking point for visitors, and visual reminder of Palm Sunday.

PRAYER:

Thank you God, that we can have a friendship with Jesus. Help us to always be excited about Jesus, and to honour Him in all we do. AMEN!
